

<p>English Learning Journey 1: Text: Room on the Broom by Julia Donaldson Outcome: To create instructions for a magical potion. Speaking and Listening Outcome: Whole Class retelling - Talk for writing Pie Corbett style. Rhyming Words (phonics) Learning Journey 2: Text: Kipper's Toy Box by Mick Inkpen Outcome: Story Writing Speaking and Listening Outcome: Whole Class retelling - Talk for writing Pie Corbett style. (Nativity Story)</p>	<p>Maths - Previous Reception experiences and counting within 100 Comparison of quantities and part-whole relationships Numbers 0 to 5</p>	<p>Science - Materials, their properties and why we choose materials to do jobs (Toys and Clothing) (6 sessions) The big idea about materials. <ul style="list-style-type: none"> - There are many different materials that have different describable and measurable properties. - Materials that have similar properties are grouped into metals, rocks, fabrics, wood, plastic and ceramics (including glass). - The properties of a material determine whether they are suitable for a purpose. Exploring materials and their properties. <ul style="list-style-type: none"> - These ideas are explored through testing materials to see if they are appropriate for particular jobs. - Explore main groups of materials and investigate their important properties (strength, flexibility, waterproofness, absorbency, softness, slippiness, stretchiness, brittleness) Link to text drivers - New coat for the giant, A toy boat for Bunting, A helmet for the man on the moon etc... Animals: How animals survive (7 sessions) Chapter 1: Feeding for survival Animals need food to survive; it gives them energy to move and material to grow. Animals are all different and so eat different foods, some eat other animals (carnivores) and others only eat vegetables (herbivores). Chapter 2: Moving for survival Animals have to get their food so they have to move to where it is, which means they have to move in different ways depending upon where their food is. Animals that eat other animals have to hunt them (predators) animals that are hunted are prey. Chapter 3: sensing for survival Animals use their senses to detect where their food is and if there are any predators around, animals have different ways of avoiding being eaten e.g. camouflage, protection and moving away fast.</p>
<p>PE Gymnastics- Show basic balance, control and co-ordination when travelling and remaining still. Choose and link actions; remember and repeat accurately and consistently; find and use space safely. Use different parts of their body and stretch, tense muscles to ensure balance, coordination and travel. Describe how balance and coordination is involved in linking their movement phrases and the importance of a strat and finish. Cooperative Games - Play simple versions of attacking and defending games, collaboratively; choose a small range of basic skills and ideas. Describe some basic rules and the way to score. Dance - Perform basic body actions; use different parts of the body singly and in combination; show some sense of dynamic, expressive and rhythmic qualities in their own dance.. Describe basic body actions and simple expressive and dynamic qualities of movement. Athletics: Run at fast, medium and slow speeds, changing speed and direction, link running and jumping activities with some fluency, control and consistency. Create and repeat a short sequence of linked jumps, take part in a relay activity, remembering when to run and what to do; send a variety of objects, changing their accuracy and distance. Compare running, sending and jumping and understand how to measure and attempt to improve on previous performance.</p>	<p style="text-align: center;">Year 1 Autumn Term 2 Where are we?</p>	<p>Step 1: Launchpad: Travel on an aeroplane to the continents. https://www.youtube.com/watch?v=K6DSMZ8b3LE Step 2: Question: Where in the world are we? Step 3: Investigate (skills): What are the 7 continents and 5 oceans? <i>Name and locate the world's seven continents and five oceans.</i> Where is it like near the Equator? Where is the UK located? What are the countries of the UK? Where is Romsey? <i>Identify and describe geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom</i> Step 4: Connect, compare and patterns: Step 5: Conclusions: Where is Romsey? Step 6: Communicate (Goal): Share 5 stem sentence facts with your family.</p>
<p style="text-align: center;">RE - Thanking and Incarnation</p> <p>Concept: Thanking Context Harvest and Sukkot (Harvest pack) Contextualise Recognise ways that Christians and Jews show thanks at Harvest and Sukkot</p> <p>Concept: Incarnation Context: Why does Christmas matter to Christians? Light as a symbol at Hannukah Explain what they have to be thankful for at Christmas and make links to Christians' beliefs about Christmas</p>	<p>Design and Technology RE: Design and make a Sukkah for playmobil family. History: Toys - Explore how moving objects work. Generate: Investigate products and describe how they work. Design: Plan by suggesting what to do next as ideas develop. <ul style="list-style-type: none"> - Communicate ideas using a variety of methods, including drawing and models. - Develop ideas by shaping materials and putting together components. - Describe the materials used to make the structure. Make a simple structure strengthening it by folding, joining and/or rolling. <ul style="list-style-type: none"> - Measure and mark out the materials that are needed. - Use safe ways of cutting including using a saw. Evaluate: Talk about their own and others' work, what they like and dislike. Technical Knowledge: Build structures exploring how they can be made stronger, stiffer and more stable.</p>	<p>Music Rhythm Games <ul style="list-style-type: none"> - Listening and responding to music games - introduce crotchet rests and minims <ul style="list-style-type: none"> - Identify the difference between the pulse and rhythm of a song and consolidate their understanding of these concepts through listening and playing / singing activities. <ul style="list-style-type: none"> - Christmas Production - Performance opportunity- to perform the Christmas play to KS2 and to parents. Children learn how to use their voices in different ways to create different types of music and emotions - lullaby - celebratory etc </p>
<p style="text-align: center;">PSHE (Jigsaw)</p> <p style="text-align: center;">Being me in my world</p> <p style="text-align: center;">Celebrating difference</p>	<p>Art - Drawing (artist link Andy Warhol/Picasso/Frida Kahlo) Explore a variety of ways to create self-portraits using a range of drawing tools <ul style="list-style-type: none"> - observe anatomy, - extend the variety of drawing tools, - explore different textures, - observe and draw landscapes </p>	<p style="text-align: center;">Computing - Programmable toys</p> <p>Understand what algorithms are. Create simple programs https://www.bbc.co.uk/teach/class-clips-video/computing-ks1--ks2-programming-a-robotic-toy-car/zb2mhb2bk</p>
