Vision Statement

Walking in the footsteps of Jesus with Love, Trust and Forgiveness

Children Flourish

Romsey Abbey Church of England Primary School will be a distinctive community, deeply rooted in Christian values, whose culture has limitless ambition, professionalism, engagement and caring at its heart.

Staff, parents and governors will work together closely to give every child the best possible education and life chances.

The school will make a positive contribution to the local community and beyond.

"Life in all its fullness" John 10:10

Our Mission

At Romsey Abbey CE School we believe that a world of opportunity lies at our feet. We see our role as a school as instilling in learners the confidence to enable success and relish challenge. We help children, families and staff to learn how to demonstrate love and grow in our ability to forgive each other, to aspire to be the best we can be. We feel it is important to both rejoice in our own success and equally in the success of others. As a church school our whole school life is based around our common values of, "walking in the footsteps of Jesus with love, trust and forgiveness."

Our Aims

Build a culture and ethos of support and respect, inclusive of language, ethnicity, ability and gender.

Create a healthy, safe environment through relationships, resources and opportunities which are accessible to all.

Provide an outstanding curriculum and learning environment that inspires, achieves the highest standards, creates a spirit of adventure, reflects culture and community and builds confident and independent learners.

Strive to build systems of communication that ensure all members of the school family have opportunities to contribute ideas and knowledge that will be valued.

Behaviour Curriculum Intent

At Romsey Abbey CE Primary School **we teach behaviour and positive attitudes** as an important part of our curriculum and how we enable children to flourish. We are committed to creating an environment where exemplary behaviour is at the heart of productive learning. We recognise that high quality behaviour for learning is underpinned by strong relationships, responsive lesson planning and positive recognition. Our behaviour policy guides staff to teach self-management and echoes our core values that we are walking in the footsteps of Jesus with love, trust and forgiveness. Our three school rules of **Ready, Respectful, Safe** are displayed in each learning space and referred to in conversations around behaviour as part of our shared language of **High Expectations; Deep Empathy**. We teach children the skills, knowledge and understanding of how to behave well through our PHSE curriculum, our Habits of Mind, during collective worship and every interaction throughout the school day.

Behaviour Curriculum Implementation: How do we teach good behaviour and positive attitudes?

<p>How will staff behave?</p> <ul style="list-style-type: none"> • Calm, consistent and emotionally controlled • Model and recognise positive behaviours • First attention to best behaviour at all times • Plan lessons/interventions that engage, challenge and meet the needs of all learners • Consistent positive reinforcement • Relentless routines • Build relationships with learners • Address behaviour without delegating and follow up every time • Listen to and understand children’s views 	<p>Middle Leaders</p> <ul style="list-style-type: none"> • Stand alongside colleagues to support, guide, model and show unified consistency <p>Behaviour Lead and Senior Leaders</p> <ul style="list-style-type: none"> • Stand alongside colleagues to support, guide, model and show unified consistency • Identify and target staff training needs around behaviour • Use behaviour data from CPOMS and Boxall Profile to assess and target behaviour through interventions including ELSA, Nurture, Social Thinking etc) • Support with more complex behaviours • Ensure that ECTs have support of a member of SLT available during parent meetings. <p>SENDCO</p> <ul style="list-style-type: none"> • Identify additional external support for pupils, parents and staff and co-ordinate development of Behaviour Learning Plans <p>Head Teacher</p> <ul style="list-style-type: none"> • Welcome learners to school at the front gate • Model and lead staff behaviour to enable staff to teach
<p>All staff every day</p> <ul style="list-style-type: none"> • Meet and greet children and smile • Refer to Ready, Respectful, Safe • Never ignore or walk past an unexpected behaviour • Record behaviour on CPOMS when a child has not taken the chance to engage through, ‘take a break’ (1 minute timer in learning space) • Use of our shared language, “High Expectations; Deep Empathy” 	

Stepped Actions

- Redirection – Super Strategies such as gentle encouragement, ‘nudge’ in right direction, small act of kindness
- Reminder – of **Ready, Respectful, Safe** delivered privately, use de-escalation and deceleration strategies where possible
- Warning – clear caution privately outlining consequences if they continue

with take-up time

- Take a break – reflect for 1 minute, away from others, talk privately and give a chance to re-engage with learning
- Referral – to another classroom for a short period, this should be recorded on CPOMS alongside a restorative conversation and apology or completion of work at break/lunchtime/home dependent on nature of behaviour

between each step

- Escalation - if the behaviour still doesn't change or is unsafe for the rest of the class, the class teacher should use the class phone to call a member of SLT. The behaviour will then be dealt with on an individual basis.
- Identification from CPOMS of regular occurrences which will lead to a meeting with teacher and parents, supported by SENDCo or behaviour lead to put a behaviour learning plan in place and addition to the pastoral team list as appropriate. Further support from external agencies considered including Primary Behaviour Services, SEND advisors, Hampshire Inclusion.

Ways to recognise high standards of behaviour that is ‘over and above’

- Praise
- Phone call home
- Courageous Advocate Award
- Golden Book
- Footsteps Role Model Award

Romsey Abbey Staff follow the advice and procedures as laid out in the DFE publication ‘Searching, Screening and Confiscation’
